Property overview

Overlooking the blue waters of the Andaman Sea on Phuket's eastern shore and the stunning limestone formations of Phang Nga Bay, this Private Luxury Pool Villa in Cape Yamu is a contemporary 7-bedroom vision. The villa's artistic flair is showcased in the living room atrium, featuring a high-ceilinged, wooden gabled roof and intricate wooden panels that connect with the outdoors. In the evenings, starlight cluster chandeliers illuminate the space like an art installation in the Hollywood Hills; a true statement of architectural excellence. The bedrooms promote relaxation with natural, biscuit hues and crisp white linens, complemented by modern artwork and contemporary style. Thoughtfully placed wooden elements add clean, modern Scandinavian touches to the eclectic design and décor. The villa includes a cinema with soft, velvety beds, as well as a cozy TV room and lounge. A standout living area on the upper level offers views through the atrium, with interior columns creating a grand hall effect. Set amidst expansive lawns, the villa features not one, but two glorious infinity pools, including a second pool on the upper level. Two of the bedrooms are equipped with super-king beds, while the others have king-sized beds, all offering picturesque views of the sea, pool, or gardens. One bedroom, accessible via a steppingstone path, is situated in its own contemporary white-cube bungalow. The bathrooms are designed with a luxurious spa concept in mind, featuring oval and round freestanding tubs and an appealing designer quality that elevates the space to a true luxury level. Around the pools, loungers, daybeds, and a covered terrace with unique wooden nest beds invite relaxation, along with seating on a pontoon over the pool, and two Jacuzzis as well. Six villa staff are available to ensure a comfortable stay. In addition to a well-equipped gym that allows for plenty of natural light, the games room features a pool table and a golf simulation game, complete with a green teeing off area to enhance the virtual experience. Outdoors, the villa grounds include a putting green, perfect for golfers, a basketball/badminton court, as well as kayaks and paddleboards.
